Study Background and Update

CBM has been carrying out studies on the proposed Dance Pit Extension property since 2017 and provided an overview of what we were undertaking in a meeting with the public in January 2018. As a result of this meeting, CBM incorporated many of the discussion points we had with the neighbours at the meeting into the on-going studies.

As part of the meeting on April 25, 2019 CBM will provide updates on the studies and we hope that you will be able to attend in person. If you are not able to attend, information presented at the Open House will be available at www.cbmdancepit.ca or we can provide you with updates via email if this would be more convenient.

Open House
Thursday April 25, 2019
7:00 p.m. to 9:00 p.m.

CBM Dance Pit Extension Update Meeting

Open House Format

This open house will be a drop-in format. You are welcome to attend any time between 7:00 p.m. and 9:00 p.m. It is designed to provide information regarding the studies completed in support of a proposed extension application for the CBM Dance Pit.

Open House Location

St. Andrew's Public School
Gymnasium
65 Victoria Avenue
Cambridge, ON N1S 1X2

Dance Pit Site Location

The study location is the area immediately east of the existing CBM Dance Pit and north east of the Heidelberg Hansen North Dumfries Pit.

For more information about the operation or this open house, please feel free to contact:
