

NOTIFICATION OF PUBLIC OPEN HOUSE

CBM Aggregates Ltd. Dance Pit Expansion Project

CBM Aggregates Ltd., a division of Votorantim Cimentos, invites you to attend an open house to discuss the feasibility of expanding our Dance Pit Site, located at Lots 14 and 15, Concession Road 10, Township of North Dumfries (see map on reverse). As part of this process, CBM would like to hear from you, our neighbours, on any ideas and thoughts you may have to help shape a future application.

About the Project: CBM is investigating the potential to extend extraction into approximately 25 hectares (61 acres) east of the existing pit. This would allow for the recovery of a very high quality deposit of sand and gravel which would be processed in the existing plant site of the Dance pit. We are currently investigating methods of exceeding industry and provincial standards for noise and dust control. Upon completion of the sand and gravel extraction, we envision that the site would be rehabilitated back to agriculture.

Studies that are underway to provide better information and to shape a potential future application include investigations of noise, dust, natural environment, groundwater, aggregate resource quality and quantity, traffic and archaeology.

We hope you can join us to help provide input into a potential future application to the Ministry of Natural Resources and Forestry (MNR) under the Aggregates Resource Act (ARA).

Please join us!

CBM Aggregates Ltd. is hosting a Public Open House:

Wednesday January 24, 2018

7.30 p.m. to 9.30 p.m.

Southwood Secondary School
30 Southwood Dr, Cambridge, ON N1S 4K3

CBM Aggregates Ltd. invites you to attend an open house to learn more about the Project and to pose any questions about the Project to the Project Team. The objective of the open house is to provide information on the expansion plans, any relevant environmental studies, existing operations and the ARA process.

More information on the Project can be found at www.cbmdancepit.ca

For more information please contact:

Stephen May, Lands Manager- Western Region, CBM Aggregates Ltd.

7366 McLean Road, R.R.#22, Cambridge, ON N3C 2V4,
